

reFRESH Estero Blvd/Waterlines
Construction Look Ahead – Week of July 16, 2018
(Changes shown in red.)

Contractors for the Town of Fort Myers Beach and Lee County are installing new water main, sanitary sewer force main, storm drainage, and sidewalk and rebuilding roadway on Estero Boulevard from Lovers Lane to Albatross Street. **Two travel lanes are expected to remain open the majority of the project; however, motorists may experience daytime or nighttime one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Crews are expected to work Monday through Friday and some Saturdays. Construction will be year-round. This schedule may change due to underground conditions and inclement weather.

Estero Boulevard Improvements

This week, reFRESH Estero Boulevard crews are scheduled to perform the following activities on Estero Boulevard. The active work zone is from Lovers Lane to Flamingo Street. Motorists should expect travel lanes on Estero Boulevard to be shifted from Lovers Lane south to Flamingo Street. Two travel lanes will remain open the majority of the time; however, intermittent lane closures may be necessary. Motorists should use caution.

Segment 2 – Lovers Lane to Strandview Avenue/Publix

Lovers Lane to just south of Donora Boulevard – Northbound traffic is shifted to the center lane while crews excavate, place base rock and regrade the northbound lane **and form and pour concrete curb on the bay side.**

South of Donora Boulevard to Bay Mar Drive

Northbound traffic has been shifted to the bay side from south of Donora Boulevard to Bay Mar Drive. The barrier wall has been installed in the center lane while crews mill, excavate and install the center lane drainage system. Motorists may experience momentary delays while crews remove excess dirt from the trench or bring in storm drain pipes.

Barrier wall will separate the northbound and southbound lanes. Motorists should expect to make U-turns when accessing properties on the opposite side of the road from the travel lane. Motorists exiting side streets and driveways between Voorhis Street and St. Peters Drive must make right turns onto Estero Boulevard and then make a U-turn.

Bay Mar Drive to Strandview Avenue – Northbound traffic is shifted to the center lane.

Coconut Drive to Strandview Avenue – Crews will install conduit in the future bay side sidewalk area moving from north to south along the boulevard.

Gulfview Avenue – **Beginning Tuesday, July 17,** crews are scheduled to install drainage structures and pipe in this intersection. Flaggers will assist motorists.

Segment 3 and 4 – Strandview Avenue/Publix to Albatross Street

reFRESH Estero Boulevard crews are installing the new sanitary sewer force main on the bay side of Estero Boulevard.

Strandview Avenue to Lazy Way – Northbound traffic is shifted to the center lane while crews work on the bay side.

Aberdeen to Lanark Avenue – Crews are scheduled to grade the bay side right-of-way.

Lanark Avenue to Curlew Street – Crews are making sanitary sewer force main connections. Residents/businesses adjacent to Estero Boulevard may experience ingress/egress delays when crews are at your driveway.

Segment 5 and 6 – Albatross Street to end of island

No work at this time.

Estero Boulevard Waterline Construction

Phase 2 – Lovers Lane to Madera Road

reFRESH Waterlines crews have installed the new water main on the beach side of Estero Boulevard and completed the individual and street connections.

Phase 2 – Side Streets

Contractors for the Town of Fort Myers Beach are installing new water main and storm drainage on the following side streets:
