

Contractors for the Town of Fort Myers Beach and Lee County are installing new water main, sanitary sewer force main, storm drainage, and sidewalk and rebuilding roadway on Estero Boulevard from Lovers Lane to Albatross Street. **Two travel lanes are expected to remain open the majority of the project; however, motorists may experience daytime or nighttime one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Crews are expected to work Monday through Friday and some Saturdays. Construction will be year-round. This schedule may change due to underground conditions and inclement weather.

---

## Estero Boulevard Improvements

This week, reFRESH Estero Boulevard crews are scheduled to perform the following activities on Estero Boulevard. The active work zone is from Lovers Lane to Flamingo Street. Motorists should expect travel lanes on Estero Boulevard to be shifted from Lovers Lane south to Flamingo Street. Two travel lanes will remain open the majority of the time; however, intermittent lane closures may be necessary. Motorists should use caution.

### Segment 2 – Lovers Lane to Strandview Avenue/Publix

**Lovers Lane to south of Donora Boulevard** – Monday, September 17, crews are expected to pave the northbound lane of Estero Boulevard from south of Lovers Lane to south of Donora Blvd. This paving is not expected to affect Estero Boulevard motorists; however, motorists at bay side driveways and side streets may experience ingress/egress delays when the paver is at your driveway or side street. Flaggers will be present to assist motorists. Once this lane is paved, crews will install temporary roadway striping. This schedule is subject to change due to inclement weather and/or standing water.

### South of Donora Boulevard to Bay Mar Drive

- **Northbound traffic has been shifted to the bay side from south of Donora Boulevard to Bay Mar Drive.** The barrier wall has been installed in the center lane while crews install the center lane drainage system. Motorists may experience momentary delays while crews move materials for the construction activities.

**Barrier wall will separate the northbound and southbound lanes. Motorists should expect to make U-turns when accessing properties on the opposite side of the road from the travel lane. Motorists exiting side streets and driveways between Voorhis Street and St. Peters Drive must make right turns onto Estero Boulevard and then make a U-turn.**

- Crews are expected to **continue concrete placement within the** center lane storm drain trench. Motorists may experience momentary delays while crews move materials for the construction activities.

**Connecticut Street/Andre Mar Drive** – Crews installed a **temporary** pedestrian crosswalk between Connecticut Street and Andre Mar Drive.

### **Hibiscus Drive to Strandview Avenue**

- Crews will place base rock to rebuild the new northbound lane and intersections. Flaggers will assist motorists entering and exiting bay side streets. This work will progress from Hibiscus Drive toward Strandview Avenue.
- **Crews are expected to grade for sidewalk on the bay side progressing from Hibiscus Drive to Strandview Avenue.**

### **Segment 3 and 4 – Strandview Avenue/Publix to Albatross Street**

reFRESH Estero Boulevard crews are installing the new sanitary sewer force main on the bay side of Estero Boulevard.

**Strandview Avenue to Lazy Way** – Northbound traffic is shifted to the center lane while crews work on the bay side.

**Curlew Street** – The sanitary sewer force main tie in work is completed. Crews will restore the work area at this location.

### **Segment 5 and 6 – Albatross Street to end of island**

No work at this time.

## **Estero Boulevard Waterline Construction**

### **Phase 2 – Side Streets**

Contractors for the Town of Fort Myers Beach are installing new water main and storm drainage on the following side streets:

**Donora Boulevard** – Crews will continue to restore and clean up right-of-way.

**Eucalyptus Court** – Completed

**Jefferson Street** – Completed

**Connecticut Street** – Crews are restoring the right-of-way.

**Bay Mar Drive** – Crews are restoring the right-of-way.

**Hercules Drive** – Completed

**Bayview Avenue** – **Crews will complete the final lift of asphalt and restore the right-of-way.**

**Bay Road (including Nature View Court)** – Crews will restore and clean up right-of-way.

**Phase 3A – Madera Road to Lanark Avenue**

reFRESH Waterlines crews are installing water main on both sides of Estero Boulevard and installing connections to side streets.

**Williams/Glenview Manor Drive to Avenida Pescadora**

Crews are expected to install waterline pipe at Williams/Glenview Manor Drive and work south. The location of work will shift daily. Please be aware of where the construction work is occurring. Residents adjacent to Estero Boulevard may experience ingress/egress delays when the pipe is being installed at your driveway. Crews can temporarily provide access, if necessary.
