

reFRESH Estero Blvd/Waterlines
Construction Look Ahead – Week of May 21, 2018
(Changes shown in red.)

Contractors for the Town of Fort Myers Beach and Lee County are installing new water main, sanitary sewer force main, storm drainage, and sidewalk and rebuilding roadway on Estero Boulevard from Lovers Lane to Albatross Street. **Two travel lanes are expected to remain open the majority of the project; however, motorists may experience daytime or nighttime one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Crews are expected to work Monday through Friday and some Saturdays. Construction will be year-round. This schedule may change due to underground conditions and inclement weather.

Estero Boulevard Improvements

This week, reFRESH Estero Boulevard crews are scheduled to perform the following activities on Estero Boulevard. The active work zone is from Lovers Lane to Flamingo Street. Motorists should expect travel lanes on Estero Boulevard to be shifted from Lovers Lane south to Flamingo Street. Two travel lanes will remain open the majority of the time; however, intermittent lane closures may be necessary. Motorists should use caution.

Segment 1 – Crescent Street to Lovers Lane

Intermittent lane closures may be necessary while crews work on punch list items.

Segment 2 – Lovers Lane to Strandview Avenue/Publix

Lovers Lane to Strandview Avenue/Publix – Northbound traffic is shifted to the center lane while crews work on the bay side.

South of Donora Boulevard to Hibiscus Drive

- Crews will complete the installation of base rock and construction of the intersections in the northbound lane. Please be aware of where the construction work is occurring. Residents adjacent to Estero Boulevard may need to obtain a temporary parking pass while concrete curb sidewalk and driveway aprons are being installed. Please contact the Public Information Office at 239-337-1071.
- **Wednesday, May 23 and Thursday, May 24, weather permitting, crews are scheduled to pave the northbound lane from south of Donora Boulevard to Hibiscus Drive during daytime hours. All bay side driveways and side streets may experience ingress/egress delays when the paver is present at your driveway or side street. Flaggers will be present to assist motorists.**

South of Donora Boulevard to just south of St. Peters Drive

- **Beginning Tuesday, May 29, weather permitting, the center lane will close and crews will shift northbound traffic to the bay side from south of Donora Boulevard to just south of St. Peters Drive.** Crews install barrier wall and begin digging the center lane drainage system.

Barrier wall will separate the northbound and southbound lanes. Motorists should expect to make U-turns when accessing properties on the opposite side of the road from the travel lane. Motorists exiting side streets and driveways between Voorhis Street and St. Peters Drive must make right turns onto Estero Boulevard and then make a U-turn.

Hercules Drive to Strandview Avenue – Crews will install conduit in the future bay side sidewalk area moving from north to south along the boulevard.

Gulfview Avenue – Crews are scheduled to install drainage structures and pipe in this intersection. Flaggers will assist motorists.

Segment 3 and 4 – Strandview Avenue/Publix to Albatross Street

reFRESH Estero Boulevard crews are installing the new sanitary sewer force main on the bay side of Estero Boulevard.

Strandview Avenue/Publix to Flamingo Street – Northbound traffic is shifted to the center lane while crews work on the bay side.

Lanark Avenue to Curlew Street - Crews are installing sanitary sewer force main on the bay side. The location of work will shift daily. Please be aware of where the construction work is occurring. Residents adjacent to Estero Boulevard may experience ingress/egress delays when the pipe is being installed at your driveway. Crews can temporarily provide access, if necessary.

Segment 5 and 6 – Albatross Street to end of island

No work at this time.

Estero Boulevard Waterline Construction

Phase 2 – Lovers Lane to Madera Road

reFRESH Waterlines crews have installed the new water main on the beach side of Estero Boulevard and completed the individual and street connections.

Phase 2 – Side Streets

Contractors for the Town of Fort Myers Beach are installing new water main and storm drainage on the following side streets:

Donora Boulevard – Crews are restoring roadway and right-of-way.

Eucalyptus Court – Crews are restoring the right-of-way.

Jefferson Street – Crews are restoring the right-of-way.

Connecticut Street – Crews are restoring roadway and right-of-way.

Bay Mar Drive – Crews are installing storm drain pipe.

Hercules Drive – Crews are restoring the right-of-way.

Bayview Avenue - Crews are working on the bay seawall. Crews are expected to start water main installation this week.

Bay Road (including Nature View Court) – Crews have completed waterline installation and are chlorinating and testing the new water line to prepare for individual water connections. Storm drain installation on Bay Road only is expected to start at the end of the school year.
