

## **reFRESH Waterlines Project**

### **Individual services to be connected to the new water main**

### **Thursday, July 30 through Friday, August 7, 2020**

Beginning Thursday, July 30 through Friday, August 7, crews will connect individual water services to the new water main. Crews will connect services to properties adjacent to Estero Boulevard from Eden House south to the Big Carlos Pass Bridge. **Your water will be shut off one time (typically no longer than 1 hour but may be up to 2 hours) while crews make the connection to your water meter.** The shut-off will occur between 7 a.m. and 5 p.m. Crews will make every effort to contact you just prior to shutting off your water. You will **NOT** need to boil your water when the water connection is complete.

Fire line connections will be individually scheduled.

This **WATER SHUT-OFF** is for potable water service only and is addressed to and affects the following:

#### **Bay side properties addressed as:**

- **8351, 8363, 8375, 8387 Estero Boulevard**

The local fire department and EMS have been notified of this shut off and will closely monitor affected properties and fire suppression systems. **You are responsible to notify your fire protection company, if applicable.**
