

Week of February 22, 2021

www.refreshfmbeach.com

Contractors for the Town of Fort Myers Beach and Lee County are installing new water main, sanitary sewer force main, storm drainage, and sidewalk and rebuilding roadway on Estero Boulevard from Strandview Avenue/Publix to the south end of the island.

Two travel lanes are expected to remain open the majority of the project; however, motorists may experience daytime or nighttime one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays. Motorists may also experience momentary delays while crews move materials for the construction activities. Crews are expected to work Monday through Friday and some Saturdays. Construction will be year-round. *This schedule may change due to underground conditions and inclement weather.*

Changes shown in orange.

Construction in Progress

Segments 3 & 4 (Strandview Ave/Publix to Albatross Street) and Segments 5 & 6 (Albatross Street to the end of the island)

UPDATES BY AREA

Segment 3 & 4 - Strandview Ave/Publix to Albatross Street

- Motorists may experience intermittent closures while crews work on the center lane drainage system.
- Crews are restoring the road right-of-way.

Segment 5 & 6 - Albatross Street to the end of the island

Albatross Street to the south end of the island.

- North and south bound traffic is shifted to the beach side while crews clear the right-of-way, install storm drainage and rebuild the roadway on the bay side.
- The sidewalk in front of Santini Plaza has been removed for Estero Boulevard improvement work. Crosswalks to the Santini Plaza are available at Lenell Road and at the center of the plaza. The south crosswalk is closed.
- **Albatross Street to Lenell Road – Beginning Monday, 2/22 through Wednesday, 2/24, during normal operational hours, crews will be paving the closed northbound lane.**
- **Motorists may experience momentary delays while crews move materials in and out of the work area. Motorists at driveways and side streets may experience ingress/egress delays when the paver is at your driveway or side**

Changes shown in orange.

Construction in Progress
