

## reFRESH Fort Myers Beach Project Individual services to be connected to the new water main

**Monday, September 27, 2021**  
**Beginning at 8 a.m. through 12 p.m.**

### **WATER SHUT-OFF**

On Monday, September 27, your water will be shut-off while crews connect your individual water service to the new water main. **You will NOT need to boil your water when the connection is complete.**

This **WATER SHUT-OFF** is addressed to and affects the following:

- **108/116 Crescent Street – Silver Witch complex**
- **118/122 Crescent Street – Rays Pizza building and the rear building.**

The reFRESH Waterlines team is replacing the water system throughout the Town of Fort Myers Beach to improve services to businesses and residents on the island. Just as the Town is replacing old pipes within the right-of-way, property owners may also need to update their private systems leading to and contained within their homes and buildings.

This notice is to inform you that the Town's reFRESH Waterlines team will soon be connecting your residence to the new water main as part of the Town of Fort Myers Beach Waterline Replacement Program. Due to the age of many homes and the aging plumbing systems within them, you may experience plumbing issues and should be prepared to contact a licensed plumber for repairs.

The Town and the reFRESH Waterlines team recommend that you contact a plumber to have your system inspected prior to the new connection since increased water pressure and/or volume may cause aging pipes to crack or burst. During water shut offs and restorations, particles in old pipes may break loose causing plumbing fixtures to clog or remain running causing flooding. Please keep in mind, property owners are responsible for all plumbing from the Town's water meter and in their home/building.

The local fire department and EMS have been notified of this shut off and will closely monitor affected properties and fire suppression systems. **You are responsible to notify your fire protection company, if applicable.**

#### **Questions? Need more information?**

If you have any questions about this water shut-off notice, please contact Cella Molnar & Associates, Inc. at (239) 337-1071 or email to [info@reFRESHFMBeach.com](mailto:info@reFRESHFMBeach.com). You may also visit the website at [www.reFRESHFMBeach.com](http://www.reFRESHFMBeach.com).
