Contractors for the Town of Fort Myers Beach and Lee County are installing new water main, sanitary sewer force main, storm drainage, and sidewalk and rebuilding roadway on Estero Boulevard from Albatross Street to the south end of the island.

Two travel lanes are expected to remain open the majority of the project; however, motorists may experience daytime or nighttime one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays. Motorists may also experience momentary delays while crews move materials for the construction activities. Crews are expected to work Monday through Friday and some Saturdays. Construction will be year-round. *This schedule may change due to underground conditions and inclement weather.*

Changes shown in orange.

#### Construction in Progress

Estero Boulevard Segments 5 & 6  
(Albatross Street to the end of the island)

#### UPDATES BY AREA

##### Segment 5 & 6 - Albatross Street to the end of the island

- Motorists may experience lane shifts while crews restore the road right-of-way and complete punch list items.
- Bicyclists and pedestrians may experience intermittent sidewalk closures on both sides of Estero Boulevard while crews complete punch list items.

Changes shown in orange.

#### Construction in Progress

##### Phase 4 - Albatross Street to the end of the island

Waterline crews will be installing valve pads in this area. This work needed to be completed after the Estero Boulevard improvements.

##### North Estero Side Streets

#### UPDATES BY AREA
